Chulu West Peak Climbing takes you to the north of the Annapurna range. To be more specific about the location of this peak, it is situated in the large Damodar Himal. The easter limit runs south from Chako, whereas Peak 6687 is in a north-to-south direction along the Hunlung Khola, Nar Khola, and Phu Khola. It is one of the most famous peaks to climb in the Annapurna region. Standing 6,419 meters above the sea level, scaling Chulu West Peak is a strenuous peak to climb. From the very beginning of the journey to the top of the peak, you will get to witness spectacular landscape views. The trail offers minimal technical climbing, but the high altitude and exposure to cold make the journey overall strenuous.

Chulu West Peak Climbing also traverse the Annapurna Circuit Trail. The trail leads to lovely Manang village, where you will visit centuries-old monasteries and caves. You get to experience the rich culture and tradition of locals. After scaling the peak, the trail further moves to one of the most challenging passes in Nepal, Thorong La Pass. Crossing this

pass, you drop down to very significant pilgrimage sites of Hindus and Buddhists, Muktinath Temple. From here, the trail leads you to Jomsom, and a scenic flight from here will take you to Pokhara.
