Makalu Base Camp Trek is a very tough and adventurous trek in the Himalayas. Many adventure enthusiasts have named Makalu Base Camp Trek 23 Days as one of the best trekking trails that Nepal has to offer. During the trekking, you get to experience off-the-beaten trails, gorgeous scenery, dense forests, picturesque villages, stunning views of Himalayan mountains, and tranquil trail. The best thing about Makalu Base Camp Trekking is that it offers less-crowded trail, unlike other famous treks of Nepal. Even though Everest Base Camp Trek (http://Everest Base Camp Trek) is the most famous trek, Makalu Base Camp Trek is the most stimulating trek.

Makalu Base Camp Trek traverses one of the very undeveloped and isolated parts of Nepal. The trail leads to the lap of the world's fifth highest mountain, Mt. Manaslu, which is explored by very few travelers. During the trek, you pass through several villages, where you will get to see the rich culture and lifestyle of the local community. The landscape you get to behold is unbelievable.

As the trail moves through Makalu Barun National Park, you get to see a wide range of vegetation and might be a few wildlife. Likewise, Makalu Base Camp Trek 23 Days offers

stunning views of snow-capped mountains like Mt. Everest (8,848 m), Mt. Lhotse (8,516 m), Mt. Kanchenjunga (8,586 m), Mt. Makalu (8,481 m), Mt. Baruntse (7,162 m), Mt. Chamlang (7,319 m), etc.

Highlights
